

Human anti-*C. difficile* Toxin B

Catalog #: 0250-002

Description:

A human IgG produced in *N. benthamiana* and is reactive to *C. difficile* toxin B.

Immunogen/ Target:

Recombinant *C. difficile* toxin B

Formulation & Storage: Supplied in PBS in frozen format with no preservatives added. **Store at** +4°C for 2-3 weeks; -80°C for long-term

Notes & Usage Guidelines:

Clonality/Isotype: Monoclonal; IgG2

Host: Human

ELISA: Assay-dependent dilution

WB: Not tested

Applications

Western Blot Data:

This antibody has not been tested in Western Blot analysis.

ELISA Data:

Recommended antibody concentration from 10 – 100 ng/mL.

Certificate of analysis:

A hardcopy of datasheet is sent along with the products. Please refer to it for detailed information. For older lots, refer to the applicable certificate of analysis that may be requested at products@ibtbioservices.com.
